

Acceptable Technology Use Policy

The aim of this Acceptable Technology Use Policy (ATUP) is to ensure that pupils will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school ATUP is not adhered to this privilege will be withdrawn and appropriate sanctions - as outlined in the ATUP - will be imposed.

It is envisaged that school and parent representatives will revise the ATUP annually. Before signing, the ATUP should be read carefully to ensure that the conditions of use are accepted and understood.

School's Strategy

The school employs a number of strategies in order to maximise learning opportunities and reduce risks associated with the Internet. These strategies are as follows:

General

- Filtering software and/or equivalent systems will be used in order to minimise the risk of exposure to inappropriate material.
- The school will regularly monitor pupils' Internet usage.
- Uploading and downloading of non-approved software will not be permitted.
- Virus protection software will be used and updated on a regular basis.

Acceptable Technology Use Policy

- The use of personal floppy disks, memory sticks, CD-ROMs, or other digital storage media in school requires a teacher's permission.
- Students will treat others with respect at all times and will not undertake any actions that may bring the school into disrepute.

World Wide Web

- Students will not intentionally visit Internet sites that contain obscene, illegal, hateful or otherwise objectionable materials.
- Students will report accidental accessing of inappropriate materials in accordance with school procedures.
- Students will use the Internet for educational purposes only.
- Students will be encouraged to acknowledge the source of information (plagiarism and copyright infringement).
- Students will never disclose or publicise personal information without permission from teacher.
- Downloading materials or images not relevant to their studies, is in direct breach of the school's acceptable use policy.
- Students will be aware that any usage, including distributing or receiving information, school-related or personal, may be monitored for unusual activity, security and/or network management reasons.

Email

- Students will use approved class email accounts under supervision by or permission from a teacher.
- Students will not send or receive any material that is illegal, obscene, defamatory or that is intended to annoy or intimidate another person.

Acceptable Technology Use Policy

- Students will not reveal their own or other people's personal details, such as addresses or telephone numbers or pictures without permission from adult.
- Students will never arrange a face-to-face meeting with someone they only know through emails or the internet.
- Students will note that sending and receiving email attachments is subject to permission from their teacher.

Internet Chat

- Students will only have access to chat rooms, discussion forums, messaging or other electronic communication fora that have been approved by the school.
- Chat rooms, discussion forums and other electronic communication forums will only be used for educational purposes and will always be supervised.

School Website

- Pupils will be given the opportunity to publish projects, artwork or school work on the World Wide Web in accordance with clear policies and approval processes regarding the content that can be loaded to the school's website.
- Any new or changed content will be checked before being uploaded onto website by one or more of the following people: Teacher, Principal, Deputy Principal, Board of Management member
- The publication of student work will be co-ordinated by a teacher.
- Pupils' work will appear in an educational context on Web pages with a copyright notice prohibiting the copying of such work without express written permission.
- The school will endeavour to use digital photographs, audio or video clips focusing on group activities. Content focusing on individual

Acceptable Technology Use Policy

students will not be published on the school website with out the parental permission. Video clips may be password protected.

- Personal staff and pupil information including home address and contact details will be omitted from school web pages.
- The school website will avoid publishing the first name and last name of individuals in a photograph.
- The school will ensure that the image files are appropriately named - will not use pupils' names in image file names or ALT tags if published on the web.
- Pupils will continue to own the copyright on any work published.

Personal Devices

Pupils using their own technology in school, such as leaving a mobile phone turned on or using it in class, sending nuisance text messages, or the unauthorised taking of images with a mobile phone camera or other such devices, still or moving is in direct breach of the school's acceptable use policy.
